Housing Diameter:

2.125 inches

Assemblylength:

2.407 inches

Special Features:

Item consists of p/n 5917701 - cam follower; p/n 5917702 adapter trunnion

Material:

Steel comp 1144

Material Specification:

Aisi assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A093a0
