|---------------------------------------------------------------|
| Current Type:                                                 |
| Ac                                                            |
| Frequency Rating:                                             |
| Any acceptable                                                |
| Accessory Components And Quantity:                            |
| Any acceptable                                                |
| Installation Design:                                          |
| Nonportable                                                   |
| Voltage Rating:                                               |
| Any acceptable                                                |
| Horsepower Rating:                                            |
| Any acceptable                                                |
| Motor Type:                                                   |
| Nontilting                                                    |
| Drive Method:                                                 |
| Electric motor                                                |
| Blade Maximum Diameter Accommodated:                          |
| 16.000 inches                                                 |
| Yoke Type:                                                    |
| Swivel or nonswivel                                           |
| Cutoff Capacity:                                              |
| Any acceptable                                                |
| Maximum Ripping Capacity:                                     |
| Any acceptable                                                |
| Blade Arbor Diameter Accommodated:                            |
| Any acceptable                                                |
| Power Rip Feed:                                               |
| Not included                                                  |
| Power Crossfeed:                                              |
| Not included                                                  |
| Saw Blade Motor Electric Brake Feature:                       |
| Not included                                                  |
| Arm Rotation In Deg:                                          |
| Any acceptable                                                |
| Swivel Angle In Deg:                                          |
| Any acceptable                                                |
| Motor Tilt Angle In Deg:                                      |
| Any acceptable                                                |
| Cutting Tool Tapped Arbor Feature:                            |
| Not included                                                  |
| Phase:                                                        |

Three
