General Description:

Ydevlieg machine co, model no. 43k-96; numerical controlled; manual data input; 4 in. Diameter spindle; 96 in. Longitudinal table travel; 36 in. Maximum distance table top to spindle center; 20 hp; 230 volts; 60 hz; 3 phase elec spindle motor

Reference Number Differentiating Characteristics:

As differentiated by horizontal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
