**General Description:**

Ydevlieg machine co, model no. 43k-96; numerical controlled; manual data input; 4 in. Diameter spindle; 96 in. Longitudinal table travel; 36 in. Maximum distance table top to spindle center; 20 hp; 230 volts; 60 hz; 3 phase elec spindle motor

**Reference Number Differentiating Characteristics:**

As differentiated by horizontal

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23900
