**Overall Length:**

8.250 inches

**Overall Width:**

7.625 inches

**End Application:**

5130-01-447-1352

**Mounting Method:**

Bracket and screw

**Features Provided:**

Adjustable and illuminated and switch

**Protective Shield Type:**

Swivel

**End Item Design Control Activity:**

61330

**Special Features:**

width and length dims do not include mounting bracket

**Material:**

Aluminum or plastic

**Type/model Designation:**

Ca-2757

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511p0
