Overall Length:

8.250 inches

Overall Width:

7.625 inches

End Application:

5130-01-447-1352

Mounting Method:

Bracket and screw

Features Provided:

Adjustable and illuminated and switch

Protective Shield Type:

Swivel

End Item Design Control Activity:

61330

Special Features:

width and length dims do not include mounting bracket

Material:

Aluminum or plastic

Type/model Designation:

Ca-2757

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511p0
