Grinding Wheel Eye Shield - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3415-01-539-6428

Overall Length:
8.250 inches
Overall Width:
7.625 inches
End Application:
5130-01-447-1352
Mounting Method:
Bracket and screw
Features Provided:
Adjustable and illuminated and switch
Protective Shield Type:
Swivel
End Item Design Control Activity:
61330
Special Features:
width and length dims do not include mounting bracket
Material:
Aluminum or plastic
Type/model Designation:
Ca-2757
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A511p0
