**Mounting Type:**

Floor

**Design Type:**

Ram

**Maximum Bar Stock Diameter Accommodated:**

2.500 inches

**Spindle Speed Range In Rpm:**

+50.0/+4200.0

**Rated Swing:**

26.000 inches

**Maximum Distance From Spindle Nose To Turret Face:**

23.120 inches

**Turret Carriage Feed Type:**

Power

**Turret Position Quantity:**

12

**Special Features:**

Round 20c collet through capacity 2in; 20c step chuck gripping capacity 6in; 8in jaw chuck gripping capacity 6.5in. Torque rating 525 rpm. Maximum x-axis travel 6.75in; maximum z-axis travel 22.875in; maximum square shank tool size 1in; max round shank tool size 1.5in. Machine length 110.4in; height 71in; depth 68.7in. Cnc slant bed lathe has a 5 tenths tolerance, general purpose

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T221-a
