General Description:

Vertical spindle, bed type, numerical control, perforated tape, 48 in. Longitudinal table travel, 48 in. W by 48 in. Lg work table, single spindle, 12 in. Maximum vertical spindle travel, 48 in. Spindle cross travel, 30 hp 220/440v 60 hz 3 phase elect spindle motor

Reference Number Differentiating Characteristics:

As differentiated by the item table lg and elect requirements

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
