Overall Length:

17.500 inches

Overall Height:

8.750 inches

Overall Width:

14.500 inches

Voltage In Volts And Current Type:

110.0 ac

Product Name:

046 flat key duplicator

Special Features:

D1/4hp; 1725 rpm; duplicates flat steel and safe deposit keys; for automotive keys use nsn 3419-00-808-0480; has deburring brush; built in circuit breaker protection; meets osha and csa/nrtl/c reqs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
