**Operation Method:**

Manual

**Mounting Type For Which Designed:**

Portable

**Spindle End Type:**

Single

**Spindle Speed In Rpm:**

2000.0

**Product Name:**

Single-head propeller polisher

**Special Features:**

Required hydraulic power 5-7gpm; pressure rating 1700psi

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T284-n
