Overall Length:

1.6250 inches

Mounting End Diameter:

0.9062 inches

End Application:

Linde corporation model hw26 and hw18 welding torches

Orifice Diameter:

0.3750 inches

Welding Process For Which Designed:

Inert gas tungsten arc

Special Features:

Cup no. 6 gas lens high-impact cup

Material:

Alumina

Material:

Alumina

Style Designator:

Straight conical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T166-q
