Overall Length:
1.6250 inches
Mounting End Diameter:
0.9062 inches
End Application:
Linde corporation model hw26 and hw18 welding torches
Orifice Diameter:
0.3750 inches
Welding Process For Which Designed:
Inert gas tungsten arc
Special Features:
Cup no. 6 gas lens high-impact cup
Material:
Alumina
Material:
Alumina
Style Designator:
Straight conical
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T166-q
