**Overall Length:**

1.156 inches

**End Application:**

Torch, union carbide, models hhw-20 or hw-25

**Orifice Diameter:**

0.625 inches

**Welding Process For Which Designed:**

Arc

**Special Features:**

Size 10

**Material:**

Alumina

**Material:**

Alumina

**Style Designator:**

Straight

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T166-q
