Overall Length:

1.156 inches

End Application:

Torch, union carbide, models hhw-20 or hw-25

Orifice Diameter:

0.625 inches

Welding Process For Which Designed:

Arc

Special Features:

Size 10

Material:

Alumina

Material:

Alumina

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T166-q
