**Overall Length:**

1.6875 inches

**Mounting End Diameter:**

0.9062 inches

**End Application:**

Linde corporation model hw26 and hw18 welding torches

**Orifice Diameter:**

0.500 inches

**Welding Process For Which Designed:**

Inert gas tungsten arc

**Product Name:**

Len, gas shield 8

**Special Features:**

Cup no. 8

**Material:**

Alumina

**Material:**

Alumina

**Style Designator:**

Straight conical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T166-q
