Overall Length:

1.6875 inches

Mounting End Diameter:

0.9062 inches

End Application:

Linde corporation model hw26 and hw18 welding torches

Orifice Diameter:

0.500 inches

Welding Process For Which Designed:

Inert gas tungsten arc

Product Name:

Len, gas shield 8

Special Features:

Cup no. 8

Material:

Alumina

Material:

Alumina

Style Designator:

Straight conical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T166-q
