# **Overall Length:**

1.1562 inches

#### Mounting End Diameter:

0.5625 inches

#### **End Application:**

Union carbide model hw-20 torch

# Welding Process For Which Designed:

Inert gas tungsten arc

## **Special Features:**

Cup no. 4

Material:

Ceramic

Material:

Ceramic

#### Style Designator:

# Straight

Shelf Life:

N/a

Unit Of Measure:

---

Demilitarization:

No

#### Fiig:

T166-q
