Welding Nozzle - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3431-00-758-1494

Overall Length:

1.156 inches

End Application:

Welding torch, I-tec, models hw-20 and hw-25

Orifice Diameter:

0.250 inches

Welding Process For Which Designed:

Arc

Special Features:

Size 4

Material:

Alumina

Material:

Alumina

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

T166-q
