Overall Length:

1.8437 inches

Mounting End Diameter:

0.6875 inches

End Application:

Union carbide models hw-17, hw-18 and hw-26 torches

Orifice Diameter:

0.3125 inches

Welding Process For Which Designed:

Inert gas tungsten arc

Special Features:

Cup no. 5

Material:

Alumina

Material:

Alumina

Style Designator:

Straight conical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T166-q
