**Criticality Code Justification:**

Zzzy

**General Description:**

Material is corrosive resistant steel, 0.470" long, 0.280" wide, 0.280" high, hole drilled out to 0.196"

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
