**Mounting Type:**

Base

**Current Type:**

Dc

**Design Type:**

Generator

**Power Source:**

Electric motor

**Arc Current Type:**

Dc

**Operator Type For Which Designed:**

Multiple

**Special Features:**

Produces dual 200 amperes, stick mig arc welding and gas tig arc welding, hand operated

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T345-a
