Welding Process For Which Designed:

Submerged arc

Product Name:

Portable arc welder

Special Features:

Portable welding machine to be located in engine room upper level

Supplementary Features:

Welder for miscellaneous ship service; contract no. N00024-96-c-2100; nssn

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T345-a
