Arc Welding Machine - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3431-01-513-5923

Welding Process For Which Designed:
Submerged arc
Product Name:
Porable arc welder
Special Features:
Portable welding machine to be located iin engine room upper level
Supplementary Features:
Welder for miscellaneous ship service; contract no. N00024-96-c-2100; nssn
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T345-a
