Mounting Type:

Base

Current Type:

Ac

Welding Process For Which Designed:

Inert gas tungsten arc

Power Source:

Electric motor

Operator Type For Which Designed:

Single

Remote Control Design:

Not included

Voltage In Volts:

230.0 or 460.0 or 575.0

Special Features:

Water cooled torch kit for syncrowave welder; includes tig coolant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T345-a
