Tip Diameter:

0.045 inches

Bend Angle In Deg:

45.0

Welding Process For Which Designed:

Electric arc

Product Name:

Nozzle, welding

Special Features:

Typical configuration; 400 amp q gun; curved handle; medium 45 degree rotating neck; standard trigger; 15 foot cable; centerfire 0.045 inch contact tip; miller style direct plug.

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T166-q
