Product Name:

Evaporator, metalizing, vacuum

Special Features:

Automatic induction heating, cylindrical design, 56 in. Chambers by 72 in. Lg work chambers, 220/440v, 60 hz, 3 phase power input

Reference Number Differentiating Characteristics:

As differentiated by technical characteristics

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
