Metallizing Outfit - Page 1 of 1

Fiig: A23800

View Online at https://aerobasegroup.com/nsn/3433-00-930-5728

Product Name:
Evaporator, metalizing, vacuum
Special Features:
Automatic induction heating, cylindrical design, 56 in. Chambers by 72 in. Lg work chambers, 220/440v, 60 hz, 3 phase power input
Reference Number Differentiating Characteristics:
As differentiated by technical characteristics
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
