Current Type:

Dc

Accessory Components And Quantity:

Power supply

Output Current Rating In Amps:

29.0

Material Thickness Accommodated:

0.375 inches

Voltage In Volts:

230.0

Phase:

Single

Special Features:

Portable plasma cutter; package consists of pcm-32i console, pt-31 torch, torch spare parts kit, air filter regulator and mounting bracket, 25 ft work cable, air hose, power cable and receptacle; input - 7.5 to 30 amps output, cable 5 ft; width 7.875 in.; depth 15.000 in.; height 12.750 in.; weight 39 lbs

Frequency In Hertz:

50.0 and 60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A526z0
