Current Type:
Do
Accessory Components And Quantity:
Power supply
Output Current Rating In Amps:
29.0
Z9.0 Material Thickness Accommodated:
0.375 inches
Voltage In Volts:
230.0
Phase:
Single
Special Features:
Portable plasma cutter; package consists of pcm-32i console, pt-31 torch, torch spare parts kit, air filter regulator and mounting bracket,
25 ft work cable, air hose, power cable and receptacle; input - 7.5 to 30 amps output, cable 5 ft; width 7.875 in.; depth 15.000 in.; height
12.750 in.; weight 39 lbs
Frequency In Hertz:
50.0 and 60.0
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A526z0
