Specific Use:

Drag

Usage Design:

Manual

Attachment Method:

Thread

Product Name:

Powermax45 cutting nozzle

Functional Description:

Torch nozzle for hand cutting

Fuel Type:

Nitrogen or manufactured gas

Material:

Copper

Material:

Copper

Supplementary Features:

Used on powermax45 hand-held plasma cutter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T345-f
