| Mounting Type:            |
|---------------------------|
| Base                      |
| Product Name:             |
| Weld control w/ contactor |
| Special Features:         |
| 115 vac                   |
| Shelf Life:               |
| N/a                       |
| Unit Of Measure:          |
|                           |
| Demilitarization:         |
| No                        |
| Fiig:                     |
