Overall Length:

19.000 inches

Overall Height:

1.000 inches

Overall Width:

15.000 inches

End Application:

Heavy weight

Accessory Components And Quantity:

Hydraulic cylinder 1, hydraulic pump 1, hydraulic hose 1, pressure gauge 0-3000 psi 1, gauge adapter 1

Product Name:

Hydraulic straightening tool for container weldment

Material:

Steel and aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
