Outside Diameter:

Catolia Diamoto.
0.125 inches
Length:
14.000 inches
Current Type:
Ac or dc
Physical Form:
Straight
Quantity Within Each Unit Package:
10.000 pounds
Weld Position For Which Designed:
All positions
Polarity Characteristic:
Reverse
Flux Coating Type:
Stabilized arc
Material:
Steel filler
Material Specification:
Awsa5.5-81, cl e12018-m assn standard single material response filler
Unit Package Type:
Can
Shape:
Round
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:

A283a0
