Welding Electrode - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3439-01-025-4138

#### **Current Type:**

Dc

Weld Position For Which Designed:

Horizontal

## **Polarity Characteristic:**

Reverse

#### **Criticality Code Justification:**

Zzzw

#### **Specification Or Standard:**

3b form and 0.035 size and 100-s type

# Departure From Cited Document:

Quality controlled iaw navships 0948-045-7010 for level 1 items

Shelf Life:

N/a

#### Unit Of Measure:

--

### Demilitarization:

No

#### Fiig:

A283a0
