**Overall Length:**

7.500 inches

**Submersibility:**

Nonsubmersible

**Design Type:**

Collet

**Operation Method:**

Manual

**Power Cable:**

Not included

**Multiple Electrode Simultaneous Use Feature:**

Not included

**Electrode Type For Which Designed:**

Carbon graphite nonfiller

**Electrode Diameter For Which Designed:**

0.500 inches

**Replaceable Jaw:**

Not included

**Oxygen Hose Accommodation:**

Not included

**Spare Jaw:**

Not included

**Special Features:**

Used for resistance soldering

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T166-g
