Special Features:

Cavity sinking electrode set (edm); c/o 3 electrodes made of carbon, item 3, 4 and 5 for inner stationary air seals stg 2, 3, and 4; 1 container for storage; used to install electrode on holder electrode, p/n 856a5579, of machine; electronic discharge process on edm

Material:

Carbon

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A283a0
