Design Type:

Threaded

Operation Method:

Machine

Multiple Electrode Simultaneous Use Feature:

Not included

Special Features:

Cavity sinking electrode holder; tool assembly c/o one electrode holder, item 2, fitted to machine w/adapter and one clamp, item 3, securing electrode to electrode holder when the two screws, item 4, are tightened; supporting tools; electrode lpt stg 1, p/n 856a5538, stg 2, p/n 856a5540, stg 3, p/n 856a5543, stg 4, p/n 856a5545

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T166-g
