Design Type:

Threaded

Operation Method:

Machine

Multiple Electrode Simultaneous Use Feature:

Not included

Special Features:

Cavity sinking electrode holder/edm; c/o 1 bracket, item 2 material steel, equipped w/pin adaption for machine used and 1 clamp, item 3 secures electrodeon bracket w/2 bolts, item 4 used to machine inner stationary air seals stg 2/3/4; electrode p/n 856a5578p03, p04 or p05 used; tool set p/n 856a5578g01

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T166-g
