Basic Material:

Lead tin alloy

Special Features:

Material composition of solder paste is; 63tin and 37 2.431623e-308a81348-qqs571f

Specification Data:

81348-qq-s-571f government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T166-s
