## NSN 3439-01-423-9096

Metallic Overlay Welding Powder - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3439-01-423-9096

<b>Environmental Protection:</b>
Abrasion resistant and corrosion resistant
Basic Material:
Alumina and nickel alloy
Content Within Each Unit Package:
2.5 lb
Criticality Code Justification:
Feat
Special Features:
CERM-ET-POW-DERU
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No

Fiig: T166-s
