Overall Length:

5.300 inches

Overall Height:

9.250 inches

Overall Width:

6.500 inches

Current Type:

Ac

Frequency In Hertz:

50.000

Operating Voltage In Volts:

230.000

Wattage Rating In Watts:

700.0

Special Features:

Programmable smt rework; offers 3 different modes of operation - manual, timed and program

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T166-j
