Overall Length:

10.600 inches

Overall Width:

8.700 inches

Wattage Rating:

14.000 watts

Voltage In Volts And Current Type:

110.0 ac

Special Features:

Adjustable, compact, self-standing unit; high efficiency fan; depth 6.600 inches

Functional Description:

Used to absorb 80.0 percent of noxious components from soldering smoke

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
