Physical Form:

Liquid

Product Name:

Rosin liquid flux

Special Features:

Used on circuit boards; 25 per cent solids; specific gravi type 0.848 plus or minus 0.005

Supplementary Features:

Self life 2 years at 55-70 degree f; flammable; rosin flux

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T166-s
