Body Style:

Round

Overall Length:

16.7 millimeters

Mounting End Diameter:

1.0 millimeters

Tip Type:

Desoldering

Tiplot Accommodation:

Not included

Tip End Style:

Conical

Product Name:

Tip repl .04 inch conical shrp solder

Special Features:

Used for soldering, desoldering, and rework products; for use with mx systems; leadfree status; rohs compliant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T166-q
