Current Type:

Dc

End Application:

Battle welding and cutting kit (m88a2 bwack) for 2350-01-390-4683, recovery vehicle, full tracked

Physical Form:

Roll

Weight:

2.0 pounds

Product Name:

E70s-6 solid steel gas shielded welding electrode

Special Features:

Size is 0.035 inches nom

Material:

Steel

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A283a0
