

View Online at <https://aerobasegroup.com/nsn/3439-01-600-3026>

**Current Type:**

Dc

**Physical Form:**

Coil

**Filler Metal Chemical Composition In Percent:**

1.40 nickel second element

**Criticality Code Justification:**

Zzzx

**Special Features:**

100s-2 hy-80 or hy100 steel in accordance with mil-s-16216 or hsla-80 orhsla-100 in accordance with mil-s-24645 when specified

**Material:**

Steel

**Shape:**

Round

**Departure From Cited Designator:**

Material controlled iaw navsea 0948-lp-045-7010 material control standard for level 1 items

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A283a0
