Functional Description:

For punching, assembling, pressing, stamping and bending appl

General Description:

50 ton frame capacity; electric motor p/n bpe-30423; hydraulic cylinder p/n rr-5013; gauge model bgf-50s; 333mm stroke lg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
