Current Type:

Ac

Frame Type:

Straight side

Operation Method:

Automatic

Pressure Capacity:

11.0 tons

Mounting Method:

Bench

Main Drive Type:

Electric motor

Slide Stroke Length:

4.4 inches

Product Name:

Punch set

Voltage In Volts:

120.0

Special Features:

18 v lithium-ion battery; 4-6 inch punch holes; 5.8lbs; 30 min battery charge time; 360 degree rotating head

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T317-j
