Overall Length:

5.000 inches

Overall Width:

0.625 inches

Overall Thickness:

0.0937 inches

Usage Design:

Cutting-off tool holder

Material Location:

Body Finish And Location:

Ground side

Cutting Edge Finish:

Unground

Material:

Steel, tungsten

Material:

Steel

Shape:

Beveled

Reference Number Differentiating Characteristics:

As differentiated by body finish and location

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T171-c
